Turners Anonymous, Inc.

We are Turners Anonymous, Inc. the Western Pennsylvania chapter of the American Association of Woodturners (AAW). Our members enjoy working in the round, using lathes to create bowls, hollow vessels, pens, toys and many other original works both artistic and functional.

Some members are professionals who exhibit in national shows and some simply enjoy occasionally turning a salad bowl or tool handle. Some are ardent turning admirers who don't turn at all.

If you haven't tried it, and would like to learn more, come to a meeting. Meet the folks and try your hand at it.

Interested in becoming a member? Complete the application form and bring it to the next meeting. Dues are \$30.00. Checks should be made out to: Turners Anonymous, Inc. Cash is also acceptable.
