

Brothers & Sisters of Turners Anonymous,

I hope all of you are enjoying your summer break.

Just a few updates for you since the May meeting.

- 1. Set-up and Tear-down TA booth practices – Saturday, August 20th. This gathering is not a full TA meeting. This is just practice time for anyone interested in knowing how to Set-up and Tear-down the Turners Anonymous tent and display unit. Both are easy to do and don't take very long to set-up or take down. We will meet at Woodcraft either in the classroom or on the loading dock (weather permitting) at 10am. We will have coffee and donuts, no Raffle, no instant gallery, no Treasure, no Library, & no Lathe demo. If some of you want to have a Trunk sale this day, that's fine.*
- 2. The Fair-In-The-Park sign-up sheet went around at the May meeting. We are still waiting to hear if we will be doing this event this year. Just in case you need a reminder on what day you signed up for, see the schedule below. We still need a few more members to demo:*

Friday, September 9th (1pm – 7pm) is full. – Gerry Kumink, David Weber, Jay Gardiner, Kim Romanko, Tom Shortall (set-up), & Katie Imler (set-up)

Saturday, September 10th (10am – 7pm) need a few more members. – Dave Betler, Kim Romanko, & Rich Homar

Sunday, September 11th (10am – 5pm) we have no member to demo. HELP!!
– Tom Shortall (tear-down) & Katie Imler (tear-down)

Please let me or Rob Martin (rob.martin2009@gmail.com) know if you are interested in demonstrating on either Saturday or Sunday.

(Mellon Park is in Shadyside on the edge of Squirrel Hill and Point Breeze at the corner of Fifth Avenue and Shady Ave. – 1047 Shady Ave, Pittsburgh, PA 15232)

- 3. Woodcraft's Weekend Anniversary Sale is Friday, October 7th – Sunday, October 9th. Kyle is looking for a few members who are willing to turn a short demo on Friday, October 7th and Saturday, October 8th only. Please contact Kyle for more details.*
- 4. Don't forget about the "Maple Blank Summer Challenge". Try to have your piece finished by Saturday, September 17th (our next official meeting)*

5. *And last, please don't forget about the Challenge that one of our members put before the club. To turn 150 finished pens for Woodcraft's "Turning Pens for the Troops" program.*

If you have any questions or concerns, please contact me.

The clock is ticking,

Becky Maruca
